

STATE BOARD OF ANIMAL HEALTH
ND Department of Agriculture
600 E. Boulevard Ave. Dept. 602
Bismarck, ND 58505-0020

RODEO CATTLE

- All cattle need a health certificate.
- All cattle must be individually officially identified by RFID or CFIA tag and obtain a permit number prior to entry into ND.
- All cattle must have the CAN ear tattoo or CAN brand, high on the right hip.
- All cattle ≥ 18 months of age must test negative for Brucellosis within 30 days prior to import.
- Females ≥ 12 months must be Official Calftood Vaccinates for Brucellosis (OCV) and inspecting veterinarian must verify and state on health certificate that the shield tattoo is visible.
 - Please note: ND does not recognize adult vaccination.
- Non-virgin and non-pregnant female cattle may not be imported, for breeding purposes, into ND, unless they qualify for the exemptions outlined in [North Dakota Administrative Code §48.1-05-01-02](#).
 - Please contact our office if questions.
- TB test on all animals ≥ 60 days of age within 60 days prior to import (nursing calves with dams are exempt).
- Trichomonas foetus testing required on non-virgin bulls and all bulls ≥ 24 months of age. All must meet Trichomonas foetus testing requirements unless an exhibition waiver is granted. Refer to [North Dakota Administrative Code §48.1-05-01-02](#).

Please call (701) 328-2655 to obtain a permit number.
After hours: (701) 220-5194 or (701) 220-0092 or (701) 202-6251
